RESOLVED by the City Council of the City of Chandler it shall adopt the following **Business Subsidy Policy and Criteria**:

Whenever the City of Chandler invests public funds or agrees to voluntarily forfeit tax or other revenue that benefit private development projects, those projects should create the greatest number of FTE (Full Time Equivalent) jobs that pay a living wage possible for the residents of the City and the surrounding region. City policy makers and economic development agents must keep the critical need for living wage FTE jobs the priority whenever public dollars are invested in a private business or development project.

Business Subsidy Public Purpose. The public purposes of this policy shall be to accomplish the following on behalf of the City of Chandler:

1. Enhance economic growth in this area
2. Create high quality job growth in this area

Principles of Business Subsidy Implementation. The City shall target its business subsidy assistance to businesses that demonstrate a clear and ongoing commitment to the community by providing living wage jobs to their employees and to City residents, where applicable, by giving priority to those businesses over businesses that have not traditionally paid living wages.

The City shall focus its business subsidy assistance only to businesses which agree to comply with annual business subsidy reporting requirements as required by Job Opportunity Building Zone (JOBZ) statute M.S. §§ 469.310 - 469.320; and/or as required by the Business Subsidy statute M.S. §§ 116J.993 - 116J.995.

All other things being equal and to the extent legally possible, the City shall give preferential treatment for business subsidies to business that engage in responsible labor relations defined as neutrality on union organizing.

The city shall commit to assist businesses to obtain trained and work-ready employees through the DEED Workforce Development Centers; MNSCU and other services; and to facilitate access to childcare.
